

To All Parents of Year 11 Students

KJB/LMR

8 October 2009

Dear Parents

Additional Year 11 Parents' Evening

We appreciate that, not only do Year 11 students find their final year of non-statutory education a stressful one but so do most of their parents! With this in mind, we would like to invite you to a brief presentation about what we are doing as a College to meet the needs of our current Year 11 students and, hopefully, secure their success later this year.

As well as giving you general information and advice, staff from our Maths and English Curriculum Teams will be conducting short workshops with more specific details about how we can work with you to best support your son/daughter over the final, critical months.

The event will take place on Tuesday 20 October and will be held in the Michael Caddy Centre. It will start at 6.00 pm and finish at 7.00 pm. However, it will be repeated at 7.15 pm, finishing at 8.15 pm. Please attend whichever slot is the most convenient but, to give us an idea of numbers, it would be helpful if you could complete and return the slip below.

We have timed the event to take place just after a Revision event that we have just held for Year 11, using the services of a well-regarded training organisation, and prior to the early-entry GCSEs which affect all Year 11 students; some English sets will be taking their English Language GCSE and all students will be taking GCSE Maths after the half term break. This builds on the success of early entry for Year 10s in June, which resulted in 40% of students entered achieving a C grade or above. Our own staff will be conducting subject-specific revision sessions on our forthcoming non-pupil day, Friday 23 October, to further prepare students for these exams.

We do hope that you are able to attend the session with your son/daughter as we believe that, by working together, we are far more likely to achieve a positive outcome for your child.

If you need any further information about the evening, please do not hesitate to contact Matthew Corrigan, Vice-Principal.

Yours sincerely

Katrina Borowski
Principal
