

KJB/LMR

16 March 2009

Dear Parent

Review Day –Tuesday 24 and Wednesday 25 March 2009

I am delighted to welcome you to our second Review Day of the academic year. We would like the focus of this one to be to how your son/daughter has fared working towards the targets negotiated in November. In addition, it is important to consider the future and transition to the next stage of his/her education.

If your son/daughter is coming to the end of Key Stage 3, you may wish to speak to our colleagues from Connexions, who will also be available in the Michael Caddy Centre. In addition, members of our Governing Body will also be present, if you have any issues you may wish to raise.

Many thanks for giving up your time to visit us today: we hope you enjoy the experience and find it worthwhile.

Yours sincerely

Katrina Borowski
